**Re: Nurturing Talents APFG Newsletter Call for Contributions**

Special Issue on Teacher Professional Development for the Education of the Gifted and Talented Learners in the Asia-Pacific Region

Hello APFG members!

It is time to continue work on the next issue of *Nurturing Talents APFG Newsletter*. If you have interesting news you would like to share regarding any aspect of gifted education and talent development in your country/region, please send us your contribution as a WORD file by **June 8, 2024**.

In particular, it will be useful to know your country/region's policies and practices on Teacher Professional Development for the Education of the Gifted. And Talented Learners.

What is being done to enhance educators' knowledge and skills for working with gifted learners in your country/region? What do you regard as the top priorities for action? What additional steps could be taken to increase and improve this professional development?

You are also invited as an individual (or with a co-author) to share other items of interest to our membership. Where appropriate, please provide links to additional information and resources on the topic.

Submissions may include (but are not limited to):

- brief summaries of recent research and innovative projects by APFG members
- notable accomplishments of APFG members
- interviews with notable people in our field
- news on gifted education in your country/ region.

**Submissions should be limited to 1000 words.** One or two relevant photos will be welcome.

With best wishes for 2024
