APCG2026 Gifthone Theme & Focus Areas

Participants will be required to design innovative solutions based on Gifthone's theme and focus areas.

 **Theme: Educational Innovation**

Student & Faculty - The Human Core
Nurturing the values, wellness, health, and inclusivity of learners and educators.

Pedagogy - The Quality of Education
The teaching and learning approaches, cultivating values, critical thinking, and peace building.

Infrastructure - The Enabling Environment
Sustainable and tech-driven infrastructure supporting accessibility, resilience and environmental responsibility.

Resources & Materials - The Content Ecosystem
The curricula, tools, and industry linkages that foster relevance, adaptability and innovations.
